

Enrollment Dates Set For City

Students who will attend Los Angeles junior and senior high schools in the Southwest area will be able to pre-register next week.

Sign ups will be conducted Tuesday, Thursday, and Friday, according to an hourly schedule established at each school. Specific information can be obtained by calling the school.

School opens Monday, Sept. 14, for the Los Angeles city system.

Most schools will follow one of two registration plans. Plan A will be used at Narbonne High School. All students will be programmed from scratch, have an established program as a result of summer school attendance, or indicate their return to school by preregistering.

Under the second plan, only students new to the school, those who attended summer school, or those who wish to report early will need to report during the preregistration period.

The second plan will be used at Banning, Carson, and Gardena high schools.

Subversion Report Due In Library

Supervisor Kenneth Hahn announced today that copies of the special report by County Counsel Harold W. Kennedy outlining the 20 year fight of the County of Los Angeles against subversion and communism and the problem created by recent Supreme Court cases affecting the Communist party will be available for public use in all County Public Library branches in his district within 15 days.

The report, ordered drafted by unanimous action of the Board of Supervisors on motion of Supervisor Hahn last June 9, emphasizes the leadership exercised by the Los Angeles County government against subversive and Communist party activities.

Copies of the 65-page document are being bound with inexpensive but tough covers so they can withstand heavy public use.

County Librarian William S. Geller stated he was pleased to make the report available, particularly for the use of students interested in contemporary American history.

Adults for Playground Work Sought

Interested and qualified adults and college students are needed at Los Angeles City elementary schools this fall to work as noontime playground directors, according to associate superintendent Robert J. Purdy.

The directors provide noontime supervision of children in school cafeterias, outside eating areas, and on the school playgrounds under the direction of the principal.

College students, parents and other qualified adults are asked to apply for these positions at local elementary schools.

Principals will interview applicants through Sept. 11, between 8:30 a.m. and 3:30 p.m. All schools will be closed on Sept. 7 and 9, which are legal holidays.

Successful applicants will be hired at the rate of \$2.28 per hour, and will begin work on Tuesday, Sept. 15.

An applicant must be a U.S. citizen, have good health and physical agility, and not be more than 66 years old by July, 1965.

Hospital Wins Citation for Fire Training

A special citation for fire safety training has been presented to the staff of Morningside Hospital, 8711 S. Harvard Blvd., by the Los Angeles City Fire Department.

The hospital staff has undergone a special two-year training under the direction of Fire Inspector Willis M. Martin of 21602 Linda Dr.
